To keep you informed about member issues such as industry updates, ISPA events, and/or other products and services, from time to time ISPA will communicate with you via email and /or fax.

ISPA memberships expire on December 31st and dues are calculated on a calendar year basis. **First year dues are pro-rated starting with the month joined**, second year dues are a full 12 months. Annual dues are based upon a running three-year average of your annual sales volume, expressed in wholesale dollars, in order to minimize fluctuating payment levels. Each year you will be asked for your most recent year's sales volume so a dues invoice can be generated.

Confidential Volume Statement

The sales volume provided here will be held in strict confidence. It will be shared with no one other than ISPA's Treasurer, or as required by law. This information must be provided in order to process your application and will be used to calculate your dues invoice at renewal.

The volume statement is the total **wholesale value** of all finished sleep products **manufactured for sale into the U.S.** by your firm and its branches, subsidiaries and licensee plants for sales to retailers, institutions and consumers. **Convert any sales direct to the public** (i.e., factory-direct business) **to your wholesale equivalent and include it in the total.** Your sales volume covers mattresses (including those listed on front), foundations of all types and all other products for primary use as sleeping systems. **DO NOT INCLUDE** sales of any finished products purchased from other manufacturers and distributed by your company or sales of finished dual purpose sleep furniture.

List the wholesale value of any **sales made into the U.S. bedding industry (ONLY)** for the three most recent full years and indicate the annual average below:

Year _____ \$ _____

 _____ \$ _____ Three-year average sales volume = \$ _____

NOTE: Any member who wishes to exhibit at our ISPA EXPO - components, machinery or services for use in the design, manufacture, distribution, transport, marketing, selling or recycling of finished sleep products - at the member discounted rate, must be a supplier member in good standing (that is, membership dues are fully paid) at the time an exhibit contract is submitted to ISPA as well as at the time of the EXPO. **This means that a manufacturer member with ISPA must become a supplier member in order to exhibit under these circumstances.** Please email joseth@sleepproducts.org with questions.
